## ***1967***

### ***Foreword***

Every intellectual product must be judged from the point of view of the age and the people in which it was produced. Walter Pater

We hope that the 1967 TIGER will help preserve the past because the future is never quite certain.

We the Senior Class of 1967 wish to dedicate our annual to the memory of our old school building. Erected in 1889, it has served the community for 78 years as the center of secondary, and for a time, elementary education. It has now succumbed to the ravages of time. A landmark in northern Kansas, it will remain so in our memories.

***Juniors***

We had one money-making project, a candy sale. We also ran the concession stand and reaped the largest profits ever. Junior-Senior play was "Cheaper by the Dozen." The Junior-Senior Prom was held at the American Legion Building and the Banquet held at the Prairie Lounge. We won second prize, \$10.00, for pep rally performances. For the third year we have been active in music, sports, and many extracurricular activities. This year we purchased our class rings.

The Tigers of SHS led by 9 returning lettermen built a fine season record of 7 wins and 1 loss.

The Tigers' only defeat came from the hands of a strong Nebraska team. The Tigers contribute their successful season to the coaching of Steve Taylor and Jarvis Brink, their team spirit, and the support received from the sidelines.

## FRESHMAN INITIATION

September 10 was Black Friday for the lowly Freshmen of S.H.S. At 8:00 A.M. the poor creatures appeared arrayed in the full regalia of colorful costumes dreamed up by the imaginative Seniors.

The festivities commenced with the Seniors' first official act of adorning the noses of the naive Freshmen with green tempora paint. All day long the resourceful Seniors elicited answers to many vital, and fascinating questions.

For example:

Q: Why do you love the Seniors?

A: Because the Seniors are wonderful, sir.

Q: When were you born?

A: I wasn't born, sir, I was hatched.

Q: Freshman! What is your worst habit?

A: I breathe, sir.

At 7:00 P.M. the trembling Freshmen once again crawled forth and assembled on the front steps of the High School. There the versatile Seniors led them in a propaganda rally consisting of a mass question and answer session.

The regal Seniors were then conveyed down the Main Street in Freshmen-powered wagons, much to the delight of the town folks who marveled at the glorious incongruity of dress displayed by the Freshmen.

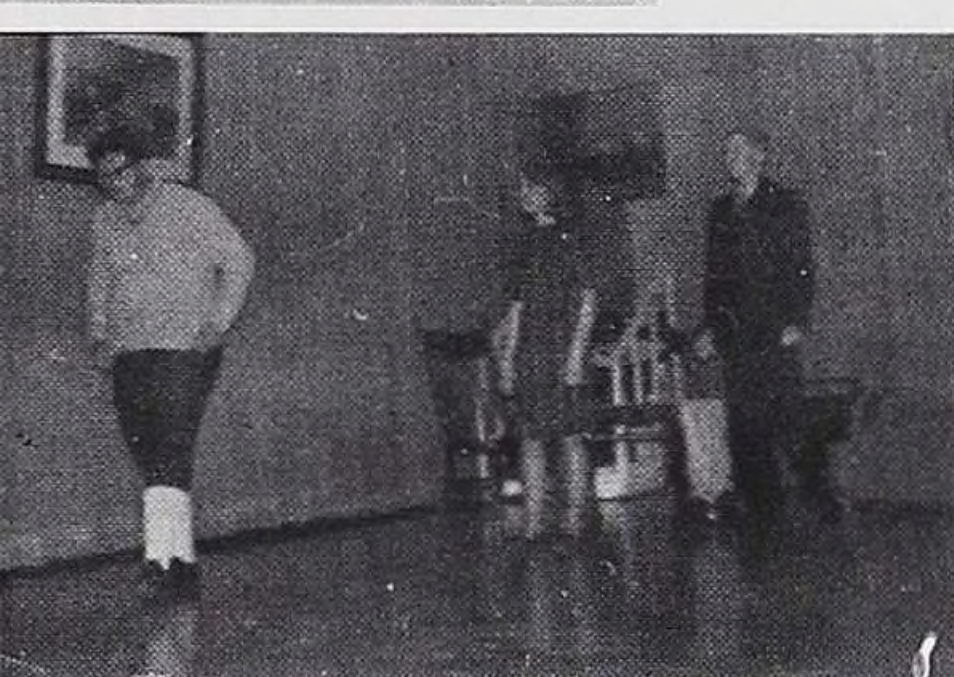

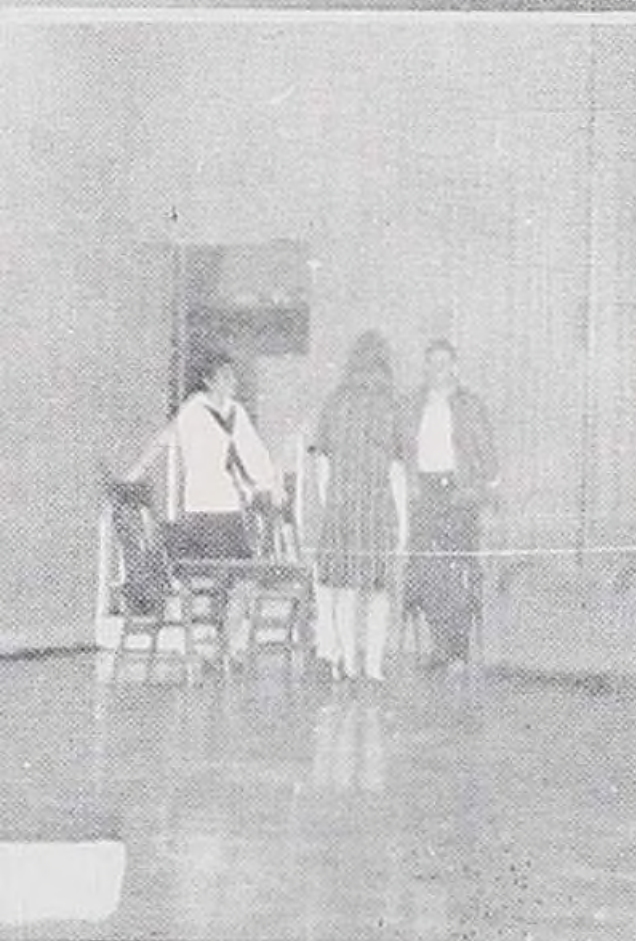

At the corner of 5th and Main, the lowly Freshmen were put to the constructive task of sweeping the street with tooth brushes. They then joyously lifted their voices and sang the school song under the direction of the Senior president.

From this inspiring scene the gaiety moved to the ball park where refreshments were doled out to the eager greenhorns (greennoses) in the form of raw eggs and limburger cheese.

Unfortunately, as all good things must, initiation too must end. As of September 10th at approximately 9:00 P.M. the members of the class of 1970 were officially members of S.H.S. for better or worse. The great Black Friday initiation will be remembered as one notable for the cooperation, by students and faculty alike, with which it was conducted.

SATURDAY, MAY 6, 1967

## *The Pink Panther*

The JUNIOR-SENIOR PROM of 1967 was held at the American Legion Building on Saturday evening, May 6, 1967. The dance was held at 9:30.

The Juniors did a fine job of decorating using the theme "The Pink Panther." The use of two shades of pink crepe paper and white crepe paper accented with black was very lovely. In the center of the floor stood the Pink Panther himself on a flower encased pedestal made of pink cardboard. On each table was a favor in the shape of a pink panther fashioned from pink pipe cleaners.

The opening dance was our theme, the Pink Panther. The music for this evening was presented by the Falls City High School Stage-Dance Band. To wind up our evening and to say goodnight, they again played our theme and we said good-bye to the Junior-Senior Prom of 1967
